DIVERSIFIED & SUSTAINABLE FARMING

2020 PRICE LIST SOUTH AFRICAN BILTONG HUNTERS INCLUSIVE OF VAT

Terrain

The terrain consists mostly of thorn veld which varies in density due to altitude variances of between 875m to 950m above sea level. The hunting area is roughly 2600ha which is game fenced. There is approximately 18km of Bushmans river frontage with the largest waterfall on the bushmans river at approximately 35m high. This is also prime fishing habitat for yellow fish and carp on fly and other baits.

Hunting skills

The hunters must be older than 10 years of age and must be able to hit a 150mm dia target at 70m two out of three shots. First time hunters welcome.

Hunting offered:

- Rifle hunting min calibre .243 small to medium game up to Nyala (kudu, Blue wildebeest & Zebra .30 is recommended)
375 min for dangerous game
- Bird Hunting (Guineafowl, Francolin, Partridges)
- Bow hunting - numerous hides available

Hunting Rules & Regulations

- 1. The hunting practice of “walk and stalk” applies to all hunts.**
- Strictly no shooting is permitted within 200m of any vehicle.
- Only one animal to be shot at a time.
- Once a shot has been fired, wait until the remaining herd has calmed down or moved away before approaching the kill.
- All rifles to be sighted, with the same ammo as used for the hunt, before hunting. Sighting to be done in the presence of the owner.
- No practice shots in the veldt permitted.
- Wounded game is charged at full price. Any game shot at, that is not on your hunting order/list, will cost you 1,5 times the listed price, unless prior arrangement made with the owner.
- 8. A total miss will cost you R200 per shot.**
- Should an animal be wounded, hunting of any other game will cease immediately until such time that the wounded animal is recovered.
- Hunting may only be conducted in the presence of a guide & by arrangement.
- No caliber of less than .243 is permitted for small game. We reserve the right to prohibit anyone from hunting if we believe his weapon or ammo is not capable of making the necessary clean kill.
- Hunting times are from sunrise to half an hour before sunset, thus back at camp before dark.
- 13. NO PERSON CONSUMING OR UNDER THE INFLUENCE OF ALCOHOL WILL BE ALLOWED IN THE VELDT.**
- It is the hunters' responsibility to ensure there are no animals behind the one aimed at.
- It is the hunters' responsibility to determine the species, size or gender of an animal before the shot is taken. The guide is only there for assistance and is not liable for any mistakes.
- 16. Recovery from the veldt of all animals hunted is the hunters' responsibility, with our assistance.**
- 17. No hunting on day of departure or on a Sunday, departure time before 10am**
- 18. All hunters must be back at the coldrooms by 17:30 (strictly)**
- 19. Animals wounded will be charged trophy prices**
- 20. ANY OF THE ABOVE RULES NOT BEING ADHERED TO WILL RESULT IN A FINE OF R5000.00.**
- 21. Rules and prices subject to change without notice.**
- 22. No head shots**
